Letter dated 24 August 2018 from the Permanent Representative of Myanmar to the United Nations addressed to the President of the Security Council

I am writing to you in connection with the letter dated 23 August 2018 from the Permanent Representative of the Netherlands to the United Nations addressed to the President of the Security Council, transmitting a letter from an "Arakan Rohingya Society for Peace and Human Rights" and with the request to circulate the said letter as a document of the Council.

In this connection, I wish to register my Government's strong objection to and serious concern over treating a letter from a non-government entity of questionable character and status as a document of the Security Council.

I should be grateful if the present letter could be circulated as a document of the Security Council.

(*Signed*) Hau Do **Suan**
